

Shanna Braden
Social worker

A Proud Moment: *When I first learned to ride a bicycle – it only took me one day!*

If I Had \$1,000 000... *I would divide it evenly among my family members, otherwise they would always be asking me for money.*

My Guilty Pleasure: *I'll be up at 4 am to watch the Royal Wedding.*

Why I'm at inREACH: *Because I know that there is so much untapped talent and wisdom among this group of young people, and we adults need all the help we can get!*

My Motto: *Never give up.*

I Wish I'd Said That... *First they ignore you, then they laugh at you, then they fight you, then you win.- Ghandi*

When I'm 'Off the Clock'.... *I'm chasing my kids, playing loud music, watching The Wire.*

What's in My Fridge: *An empty milk jug; leafy greens; jars of condiments I don't remember buying and never use.*

I'm Lucky to... *work with the most amazing young people!*

I'm Thankful for... *The Pixies reunion tour.*

In Another Life..... *I was stranded in the desert, therefore I am addicted to lip balm and water in this life.*
